NUMB. 425.

THE South-Carolina Gazette.

Containing the freſheſt Advices Foreign and Domeſtick.

From Saturday *April* 24th, to Saturday *May* 1, 1742.

LONDON, *December* 12.

THIS Day's Holland Mail brings Advice, that the Queen of *Sweden* died at *Stockholm* the 5th Inſtant of the Small pox, after ſo ſhort an Indiſpoſition as three Days.

December 15. We hear from *Eubey*, that laſt Friday the 11th Inſtant, at 45 Minutes after Twelve, (the Sun then ſhining in its full Brightneſs) there appear'd towards the *S.E* about 45 Degrees high in the Clouds, a bright Flame or Ball of Fire, which ran about the ſeeming Diſtance of four Yards or more, and then diſappear'd or fell. It grew larger as it ran, and ended, in Appearance as big as a large Man's Hand. It was about the 4th Part of a Minute, or leſs, in its Courſe, which was from *W.N.W.* to *E.S.E.* In the Place that it ran there remained a narrow white Cloud, wider where it ended than where it began, which in a little Time began to ſpread wider, and in ſeven or eight Minutes was no more viſible. The Clouds at that Time were of a pure Azure: No Wind ſtirring; the Vane at *E.N.E.*

December 22. We hear from *Canterbury*, that on Friday laſt about Noon, a large Ball of Fire was ſeen to paſs over that City, which was followed by a Storm that broke almoſt all the Windows in the Town, and the next Morning three Suns appear'd in the Sky, attended with a Rainbow inverted, which laſted from nine to twelve.

We hear that a certain Number of Men of War are ordered to be ready to put to Sea on the firſt Notice.

And that the Marines on the *Iſle of Wight* are to embark on board ſome Tenders, which are ordered thither for that Purpoſe.

December 24. On Tueſday Night laſt Mr *Sadler* one of his Majeſty's Meſſengers arrived with an Expreſs to his Majeſty at *St James's* with an Account that her Royal Highneſs the Princeſs of *Heſſe* was ſafely delivered of a Prince, to the great Joy of that illuſtrious Family.

Capt *Lake*, late of the *Eleanor* Fire-Ship, is appointed by the Right Hon the Lords of the Admiralty Commander of the *Tartar* Man of War, in the Room of Capt. *Geo: Townſend*.

December 26. They write from *Cowes*, that on the 22d Inſtant his Majeſty's Ship the *South Sea Caſtle* ſail'd for *Virginia*.

December 29. Letters from *Madrid* (by way of *Holland*) inform us, that the *French* Squadron from *Toulon*, had been driven into *Carthagena* in a ſhatter'd Condition, having met with a moſt violent Storm, during which the Lightning had ſet Fire to the Maſts and Rigging of a 70 Gun Ship, which they were oblig'd to cut away, and throw over board; and that the ſame Accident had befallen ſome other Ships of the ſame Squadron.

Some private Letters from *France* aſſure us, that poſitive Orders have been iſſued from the War Office, to the Officers of the ſeveral Regiments, to have their Companies compleatly filled by the Beginning of *April*, on Pain of being caſhier'd.

And we hear a great Number of Horſes were ordered to be bought up as ſoon as poſſible, in order to compleat their Cavalry.

They write from *Briſtol*, that on Friday ſe'nnight a large Ball of Fire, with a long Train, was ſeen in the Air, by ſeveral People in the Neighbourhood of that City, and in Kendalſhire; that it appeared about the ſize of a Buſhel, and fell in the North.

December 31. They write from *Newport* in the *Iſle of Wight* that on Friday the 7th Inſtant about Ten o'Clock, was ſeen in ſeveral Parts of the Iſland, a Beam of Fire, ſeemingly about eight Feet in length, and very near the Earth; the upper Part appear'd to be very red, but downwards paler; it paſs'd thro' the Iſland from the Weſt to the Eaſt, and was beheld by Numbers of People with Aſtoniſhment.

The ſame Day there was certain Advice, that the *Rochester*, *Hewitt*, bound from *New England* for *London*, with Maſts, &c. is taken by a *Spaniſh* Privateer, and carried into *St. Sebaſtian's*.

January 2. The *Swediſh* Ship which fought the *Spaniſh* Privateer is put into *Plymouth* to refit, having receiv'd ſome little Damage.

January 5. We hear that 1500 Seamen to recruit the Fleet under Admiral *Haddock*, and 200 Soldiers for the Garriſon of *Gibraltar*, are embarking at *Portſmouth*, and are to ſail the firſt fair Wind, under Convoy of the *Cambridge*, Man of War, of 90 Guns.

Several Recruits are to be put on board this Week for *Minorca*.

An Expreſs is gone to the Ports in the Weſt of *England*, containing Orders to the Commanders of his Majeſty's Ships of War to hold themſelves in readineſs to put to Sea on the firſt Notice.

We are inform'd that there are five *Spaniſh* Privateers of conſiderable Force now at Sea, each of which carries at leaſt 150 Men. And

That there are three large Privateers on the Stocks at *Bilboa*.

Sir *Charles Hardy*, Knt. is appointed Commander in Chief of all his Majeſty's Ships of War in the Rivers *Thames* and *Medway*, and at the Buoy in the *Nore*.

January 7. By Letters from *Liverpool* we have receiv'd theſe farther Particulars relating to the *Spaniſh* Prize taken by the *Superb* Man of War, viz. that ſhe arriv'd at *Kinſale* the 25th of laſt Month, being forc'd in by contrary Winds: She was diſpatch'd to *England* by Admiral *Vernon* from *Cuba* the 4th of *November*, and brought in a rich *Caracca* Ship of 400 Tons, 24 Carriage and 36 Swivel Guns, which ſhe took off the Iſland of *Bermudas*, in Lat. 33; ſhe has on board a great Quantity of Money, Cocoa, and other Goods of immenſe Value, computed at 200,000 l. The *Spaniards* fired firſt, taking the *Superb* to be a Merchant Ship; but ſtruck after having receiv'd two broad-ſides from the Man of War, who was very leaky, ſo that the *Spaniards* were employ'd at her Pumps.

Whereas at a Court of General Seſſions of the Peace, Oyer and Terminer, Aſſize and general Goal Delivery, holden on the third *Wedneſday* in *March*, in the Year of our Lord 1739.

It was *Ordered*, That all Recognizances and Bailments taken by any Juſtice of the Peace, be returned into the Court the *firſt* Day of every General Seſſions, before Noon, for that their being kept longer, it may happen, that Felons and other Offenders may eſcape Puniſhment, and the Witneſſes and Parties be wearied out with Delays and Attendance; and that the Juſtices of the Peace who are faulty herein be fined according to the Stat. 1ſt & 2d *Ph.* and *Mar.* Cap 13. and 2d & 3d *Ph & Mar.* Cap. 10.

If the Offenders appear not on their Recognizances the *firſt* or *ſecond* Day of the Court, the Default to be recorded and the Recognizance to be forfeited. *Nevertheleſs*, Proceſſes or Warrants, as the Caſe ſhall require, to go out againſt them and their Bail; ſo likewiſe, as to thoſe who are bound to give Evidence, that if poſſible the Buſineſs be not deferred to another Court, in which Time the Proſecutors or Witneſſes may die or be taken off.

That all Juſtices of the Peace do take Examinations both of the Felons without Oath, and the Informers and Witneſſes againſt them upon Oath, in Writing, on or before they commit the Offenders to Goal, and to certify the ſame the *firſt* Day of the Seſſions, or elſe to be fined according to the Statutes of *Philip* & *Mary* before mentioned.

That no Priſoner for Felony be diſcharged in the Interval of the General Seſſions, unleſs it be upon good Bail taken, the Warrant or Mittimus to the Goaler to keep until they are delivered according to Law, nor any Bail or Recognizance for Appearance to be given up or withdrawn by the Juſtice of the Peace after the ſame is taken, but be returned and certified to the Court of General Seſſions, and the Offender whether Juſtice of the Peace or Goaler to be ſeverely proceeded againſt.

If any Juſtice of the Peace ſhall take Bail where he ought not, or wittingly or willingly take inſufficient Bail, and the Party appear not, the Juſtice not only to be proceeded againſt according to Law, but likewiſe to be complained of to the Governor, that he may be turned out of his Commiſſion.

That when any Juſtice of the Peace ſhall commit to Priſon, or bind over any Perſon to appear at the next General Seſſions, for any Crime or Offence whatſoever, ſuch Juſtice ſhall at the ſame time bind over by Recognizance the Proſecutor or Party injur'd, and alſo the Witneſſes who can prove the Offence, to appear at the next General Seſſions and to proſecute or give Evidence againſt the Offender. And in Caſe the Offender ſhall be poſitively and expreſsly charged on Oath with Felony, ſuch Recognizance ſhall be taken from the Proſecutor or Party injur'd, before any Warrant ſhall be iſſued againſt the Offender; and if any of the Juſtices ſhall be negligent or remiſs, they ſhall be proceeded againſt according to Law.

If any Juſtice of the Peace ſhall bind over any Perſon to keep the Peace, and be of good Behaviour, and to appear at the General Seſſions, if the Parties agree in the mean Time, and the Party who hath required Sorety of the Peace ſhall releaſe the ſame before the ſaid Juſtice, or any other Juſtice of the Peace, the Record of ſuch Recognizance and Releaſe ſhall be certified and returned to the next General Seſſions.

AND it was further ORDERED, that the above Orders ſhould be inſerted in the publick Gazette.

AND WHEREAS notwithſtanding ſuch publick Notice was given, very little Regard has been had to the ſame, and the Miſchiefs which were intended to be remedied by thoſe Orders, ſtill remain. It has been therefore thought proper to give this farther Notice, that no Perſon for the future may pretend Ignorance, or fail in their Duty upon the Peril that will enſue.

By Order of the Court,

JAMES WEDDERBURN,
Clerk of the Crown and Peace.

Extract of a Letter from London, *dated* March 6, 1741-2.

'Three Days ago the Affair of the Man that was kill'd 'by Capt *Townſhend*'s Maſter, was fully proved before the 'Houſe, how he refuſed the Chief Juſtice's Warrant to 'deliver up the Man, and likewiſe the Governor's Letter 'and Order, and the Uſe that Capt. *Fanſhaw* made of the 'Order from the Lords of the Admiralty, in holding what 'they call'd *a ſham Court-Martial*; In ſhort the whole Affair made the whole Houſe ſhrink; they ſaid, thoſe Gentlemen not only thought themſelves above the Civil Power, but even made a Mock of their own Court. 'Tis believ'd both will be broke.
